June 30, 2024

Greetings Princeton Families,

I hope this letter finds you well and that you are all enjoying a wonderful and relaxing summer break! As we savor these sunny weeks, I wanted to share some important information with you to help prepare for the upcoming school year.

The school supply lists for the 2024-2025 academic year are now available. You can find them on our school website, and I have also attached a copy to this summer email communication. We understand that some families like to get a head start on school shopping, and we hope this list will be helpful in planning and preparing for the new school year.

Please note that while the provided supply lists cover the general needs of each grade level, there may be additional or specific supplies needed for your child's individual classes or activities. Teachers will communicate any additional requirements once the school year begins.

In the coming weeks, families will begin to receive more information about in-person registration support, which will be available the week of **July 15th-19th**. We will also provide the date for our Open House for the 2024-2025 school year (**TBA**), where you can meet teachers, see classrooms, and get ready for a fantastic year ahead.

Enjoy the rest of your summer, and we look forward to seeing all our students back in school, ready for an exciting year of learning and growth.

Warm regards,

Dr. Shakir

Adib Shakir, Ed.D.
Principal
